

## Kinver Kids!

### Mission Unstoppable: Ascension and Pentecost

#### Make a Holy Spirit headband like those in the video!

##### You will need:

- Sheets of coloured paper or card: red, yellow, orange and pink
- Strips of cardboard long enough to fit around your head
- Flame template (attached)
- Scissors, glue, Sellotape, stapler (optional)

##### Instructions:

1. Print off the flame template and use it to cut out flames in different colours – depending on which colour card you have. You can use as many colours as you like.
2. Cut a strip of card which is long enough to fit around your head and staple (or glue) the flame to the centre of the card.
3. Glue or staple the ends of the card together, to make a secure headband.
4. If you wanted to, you could write the following words from Acts 1: 8 on the headband or on a card, underneath the flame:  
"But you will receive power when the Holy Spirit comes on you." Acts 1:8

## Flame Template
